Dear 

Reference is made to your application for employment with the Central Intelligence Agency which you submitted after discussion with  of the Personnel Office.

Your qualifications have been reviewed in terms of our present personnel requirements and I regret to advise you that there does not appear to be an appropriate position now available which we might discuss with you.

Your interest in our organization is appreciated and you may be assured that your application will be given every consideration for any suitable future vacancy.

Sincerely yours,

- disp via
